### **Chipperfield 0 – Raiders 5 28 Sept 08**

Rickmansworth Raiders went to Chipperfield Corinthians today feeling confident after a good win last week. Raiders came out of the traps flying putting the Chipperfield defence under early pressure. The superb midfield of Mason Holloway, George Holt, Chase Salisbury, Harry Donohoe, were excellent winning every ball in the middle of the park. The defense had once again an awesome performance, well done to Nathan Booth, George Harper, Blake Brooks and Jack Davis, it was because of there superb defending that our keeper Matt Clark was merely a spectator.

Raiders spent 20 mins camped inside the Corinthians box but just couldn't break down the strong defence of Chipperfield, we knew it would take something special to beat the defence that's when Harry Donohoe flicked in a ball to the feet of Chase Salisbury who pushed the ball inside and hit a peach of a shot from 15yds out, into the top right hand corner just on the stroke of half time 1-0.

The second half Raiders came out like a team possessed and it wasn't long before they had there second goal which came from a ball down the middle from George Holt and fell to Raiders new striker Luke Jones who buried the ball into the net. Raiders were making a right nuisance running the Chipperfield players ragged. Nathan Booth picked up a dead ball and played straight into the path of Luke Hancock who fired home from close range. Rickmansworth then started knocking the ball about Jack Davis played a ball from defense out to Harry who flicked it to George who passed it to Chase, he went on a run before riffing the ball into the bottom right hand corner. With 10 mins of the game remaining George Holt wanted to get on the score sheet and hit a low shot hard into the net.

Full time 5-0

Well done to the whole team, a superb win.

Man of the match went to Mason Holloway for a superb performance on the wing.
